

Age 3–6

Walking in The Jungle

- Khan Academy Kids Daily Circle Time invites you and your child to join in for stories and activities on weekday mornings with Caroline, Sophie, and friends.

What you need:

- Computer with Internet connection, paper and crayons
- https://www.youtube.com/watch?v=dsNe9Kw1Xgw&list=PLsO1jePSb_q1hbBk81aZdg9TeED_LLcd&index=2&t=0s

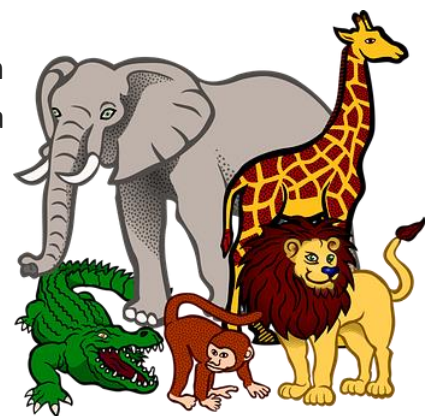

What to do:

- Start today's Circle Time with Caitie from Super Simple Songs as she sings "Walking in the Jungle".
- Talk with Caroline and Sophie about more jungle animals, how they look, and how they sound. Learn more about animals while reading the book "Baby Monkeys" by Bellwether Media. Trace the letter M and count the syllables in the word "mon-key".

Some more ideas:

- Try activity time with a scavenger hunt, a game played in an extensive outdoor area, in which participants collect a number of miscellaneous objects. Share ideas for what you might find either outside or inside.
- Share your child's favourite animal with Caroline and Sophie on Show & Tell. <http://khan.co/KhanKids-ShowAndTell>.
- You can subscribe to the channel for free, so you don't miss a single resource from Khan Academy Kids and access all the Circle Time videos on the Circle Time Playlist.
