

A roadmap for schools to support the language(s) of schooling

Statements for students

S	B1	1	My teachers and other people working in the school help me learn languages.	Awareness of language dimension
S	G1	6	We talk about the texts and what they mean in all the subjects and not only in language lessons.	Role of languages in learning
S	G12	7	My teachers teach me ways to learn languages better in all the subjects and not only in language lessons.	Role of languages in learning
S	G14	8	My teachers and my classmates are interested when I speak about the languages I know and how I learned them.	Attitudes towards languages
S	G2N	11	My teachers know which other language(s) I speak.	Language resources at school
S	G4	12	We speak about the meaning of words, sentences and how to understand a text in all subjects and not only in language lessons.	Developing language knowledge and skills
S	G4N2	13	We learn how to describe or explain something, for example how to sum up an idea or a text.	Metalinguistic awareness
S	G4N3	14	My teachers help me become aware of terms like context, meaning and purpose of language, in all the subjects and not only in language lessons.	Metalinguistic awareness
S	G5	15	I carefully listen to my teachers' way of speaking and I try to follow their example.	Awareness of language dimension

This is an output of the project "A roadmap for schools to support the language(s) of schooling" (2017-2019) of the European Centre for Modern Languages (ECML). The ECML is a Council of Europe institution promoting excellence in language education in its member states.

S	G6	16	I am aware of the differences between spoken and written language.	Developing language knowledge and skills
S	G6N1	17	My teachers teach me how to speak and write better, in all the subjects and not only in language lessons.	Developing language knowledge and skills
S	G6N2	18	My teachers teach me how to listen and read better in all the subjects and not only in language lessons.	Developing language knowledge and skills
S	G8	19	We have school projects where we communicate with people outside school.	Promoting informal language learning
S	P1	21	I can get help from the school staff in the language(s) I speak.	Orienting newcomer students and families
S	P3	23	I can use all my languages outside the lessons.	Attitudes towards languages
S	P4	24	It is clear to me when I might use the languages I know, during the lessons.	Role of languages in learning
S	P4N	25	In my school, I see the signs (for example posters, photos, charts, website, etc.) representing the different languages we speak.	Attitudes towards languages
S	P5	26	My teachers know which languages my parents/guardians speak.	Language resources at school
S	P8	29	My parents/guardians get information from my school in a language they understand.	Orienting newcomer students and families
S	Y14	30	My teachers let me use the languages I know to better understand what I learn.	Role of languages in learning
S	Y1N	31	My teachers engage me in challenging activities (e.g. putting forward arguments, debating, justification of different point of views).	Awareness of language dimension
S	Y5	32	My teachers take into account what I have learned before in my previous school or in the other country where I lived.	Role of languages in learning
