

## Participant's report

### to the National Nominating Authority and the National Contact Point

#### Meeting report

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting:** this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report<sup>1</sup> in the "Experts involved in ECML activities" section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in one of the project's working languages.

2. **Public information:** this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

This section should be written in (one of) your national language(s).

#### The completed file should be sent to

- the ECML National Nominating Authority and the National Contact Point in your country (contact details can be found at <http://www.ecml.at/aboutus/members.asp>)
- and in copy to ECML Secretariat ([Erika.komon@ecml.at](mailto:Erika.komon@ecml.at))

within the given deadline.

#### 1. Reporting

<sup>1</sup> Only if you authorised the ECML to publish your contact details.

## 1. Public information

**Short text (about 200 words) for the promotion of the ECML event, the project and the envisaged publication with a focus on the benefits for target groups. This text should be provided in your national language(s) to be used for dissemination (on websites, for journals etc.).**

Radim u sustavu srednjeg školstva nepune tri godine te često pohađam razne seminare, edukacije i sastanke ŽSV-a. Zahvaljujući profesoru Ivanu Lajnvašu, voditelju ŽSV-a Varaždinske županije za profesore engleskoga jezika u srednjim školama saznala sam za ovu radionicu te sam odlučila prijaviti se. Mogu reći kako sam provela divna tri dana u Grazu, upoznala kolege profesore iz cijele Europe i šire, imala priliku brusiti znanje njemačkog budući da se cijeli program odvijao paralelno na dva radna jezika, njemačkom i engleskom. Sve pohvale za organizaciju, članovi projektnog tima Oliver Meyer, Do Coyle, Ana Halbach, Kevin Schuck i Teresa Ting bili su izuzetno ljubazni i susretljivi, rado su nam pomagali u grupnom radu i zadacima te mi je čast što sam mogla učiti od njih. Svakome bih preporučila radionice u ECML-u.
