valoriser l'élève, pratiquer les langues dans un contexte différent (la langue est un outil, pas un objectif), travailler sur les compétences, maîtriser le stress, l'aspect entraînant du projet

ANONYMOUS OCT 12, 2020 05:01PM

Un excellent projet pour un développement complexe de tous les acteurs impliqués

ANONYMOUS OCT 12, 2020 04:52PM

Le projet valorise l'élève, c'est un projet qui nous ouvre aux autres cultures, la langue devient un outil de communication

le plus important c'est de sensibiliser toute la communauté scolaire pour ces questions liées aux langues.

ANONYMOUS OCT 12, 2020 04:48PM

EOL est un projet qui permet l'adhésion de la majorité des acteurs pédagogiques dans un établissement, il est aussi une ouverture au monde et à la culture de l'autre la langue devient

un outil de communication et un moyen d'élever ses compétences professionnelles et personnelles. ce la débouche sur une réelle gratification sociale de tous les participants

ANONYMOUS OCT 12, 2020 04:48PM

It is very important for the students to see the language as a tool.

ANONYMOUS OCT 12, 2020 02:42PM

This approach needs quite a bit of planning. How would teachers organise themselves, particularly in countries where second

language education is not a priority?

ANONYMOUS OCT 12, 2020 02:42PM

Chrisoula, Greece - Sounds very interesting, especially the part of acquiring for example maths knowledge through a foreign language. It would be interesting to know more details.
