

## Participant's report

### to the National Nominating Authority and the National Contact Point

#### Meeting report

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting:** this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report<sup>1</sup> in the "Experts involved in ECML activities" section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in one of the project's working languages.

2. **Public information:** this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

This section should be written in (one of) your national language(s).

#### The completed file should be sent to

- the ECML National Nominating Authority and the National Contact Point in your country (contact details can be found at <http://www.ecml.at/aboutus/members.asp>)
- and in copy to ECML Secretariat ([Erika.komon@ecml.at](mailto:Erika.komon@ecml.at))

within the given deadline.

## 1. Public information

**Short text (about 200 words) for the promotion of the ECML event, the project and the envisaged publication with a focus on the benefits for target groups. This text should be provided in your national language(s) to be used for dissemination (on websites, for journals etc.).**

In einem Follow-up Meeting traf sich diesmal eine ExpertInnenrunde (aus Albanien, Österreich, Frankreich, Island, Malta, Polen, Russland, Schweden und Großbritannien) für *Primary and Lower Secondary Education*, um die Arbeit am Projekt PluriMobil effizient weiterzuführen.

Hauptziel war die Präzisierung und Formulierung der Feinziele (d.h. die zu erreichenden (fremd)sprachlichen und interkulturellen Kompetenzen und *can do statements*) der *lesson plans* für die drei Phasen der Mobilität (*Before – During – After*) und mit welchen Lehr- und Lernmethoden, -strategien und Materialien diese erreicht werden können.

Ein bestens strukturierter und mit einer Fülle von *ready to use materials* versehener Praxisratgeber für LehramtsstudentInnen und unterrichtende LehrerInnen der *Primary and Lower Secondary* wird als Publikation diese Teamarbeit dokumentieren.

Dieser Praxisratgeber ist als Unterrichtsbehelf konzipiert, der bei der Vorbereitung, Durchführung und Evaluation von Mobilitätsprogrammen als wertvolle Unterstützung zu Anwendung kommen soll.

Hohe Motivation, großes Engagement des Projektteams bzw. der ExpertInnen bzw. ein hervorragendes Arbeitsklima zeichneten diesen Network-Meeting aus.
